TO OUR MEMBERS ACCESSING ONLINE BANKING AND BILL PAYMENT

You may use PARDA Federal Credit Union's online bill payment service to direct PARDA Federal Credit Union to make payments from your designated checking or share account to the "Payees" you choose in accordance with this agreement. The terms and conditions of this agreement are in addition to the account agreements, disclosures and other documents governing your account. PARDA Federal Credit Union reserves the right to terminate or suspend online bill payment at any time for any reason.

BUSINESS DAYS AND HOURS

Our business hours are Monday through Friday (excluding certain holidays) from 8:00 AM – 7:00 PM EST and Saturdays (excluding certain holidays) from 9:00 AM – 1:00 PM EST. For purposes of this agreement, bill payments will be processed Monday through Friday (excluding certain holidays). Bill payment support is available Monday through Friday from 7:30 AM – 2:00 AM EST at 1-866-336-4609.

AVAILABLE FUNDS

You must have sufficient funds in your account the business day before the payment is processed. The processing date is the date we will attempt to deduct the payment from your account. If a hold has been placed on funds held in the account/share in which you have elected to transfer from, the funds cannot be transferred until the hold is removed. If there are insufficient funds in your account to make the bill payment request, we will be unable to process payment and will notify you through a secure message within the bill payment service. Only one attempt to process the payment will be made.

INSTRUCTIONS FOR SETTING UP PAYEES & PAYMENTS

Payees – If you want to add a new "Payee," first select the "Payee" tab located within online bill payment or speak to a service representative. PARDA Federal Credit Union reserves the right to refuse the designation of a "Payee" for any reason.

Payments – You may add a new payment to a "Payee" by accessing the online bill pay service and entering the appropriate information. Most other additions, deletions, or changes can be made in writing or through the online bill pay service. Payments may be sent electronically, by mail or by some other means. We may change the merchant account information you input if the designated merchant provides us with information that could expedite the payment. You may pay any "Payee" within the United States (including U.S. Territories and APO's/AEO's). PARDA Federal Credit Union is not responsible for payments that cannot be made due to incomplete, incorrect, or outdated information. In addition, the credit union reserves the right to refuse to process payments that reasonably appear to be fraudulent or erroneous.

The system will calculate the "Estimated Arrival Date" of your payment. This is only an estimate. It is your responsibility to schedule your bill payments to allow ample time to ensure your obligations will be paid. If you do not allow for adequate time, it is your responsibility for any late payments or finance charges that are incurred as a result of the late payment.

Single Payments – A single payment will be processed on the business day (generally Monday through Friday, except certain holidays) you designate as the payments processing date, provided the payment is submitted prior to the daily cut off time on that date. The daily cut off time is currently 3:00 PM EST. A single payment submitted

after the cut off time on the designated processing date will be processed on the next business day. If you designate a non-business date (generally weekends and certain holidays) as the payment's processing date, the payment will be processed on the first business day following the designated processing date.

Recurring Payments – When a recurring payment is processed, it is automatically rescheduled by the system. Based upon your selected frequency settings for the payment, a processing date is calculated for the next occurrence of the payment. If the calculated processing date is a non-business date (generally weekends and certain holidays), it is adjusted based upon the following rules:

- If the recurring payments' "Pay Before" option is selected, the processing date for the new occurrence of the payment is adjusted to the first business date prior to the calculated processing date.
- If the recurring payments "Pay After" option is selected, the processing date for the new occurrence of the payment is adjusted to the first business date after the calculated processing date.

Note: If your frequency settings for the recurring payment specify the 29th, 30th, or 31st, as a particular day of the month for processing and that day does not exist in the month of the calculated processing date, the last calendar day of that particular month is used as the calculated processing date.

LIMITATIONS

PARDA Federal Credit Union reserves the right to limit the number of, the type and the dollar amounts of any checks, drafts, withdrawals or transfers made through the bill payment service at any time. Limits on the number of or amount of transactions that may be performed on certain share accounts are described in PARDA Federal Credit Union's Membership Agreement and our Truth in Savings Disclosure.

CANCELLING A PAYMENT

A bill payment can be changed or cancelled any time prior to the cut off time on the scheduled processing date. The daily cut off time is currently 3:00 PM EST.

STOP PAYMENTS

Stop payments may not be available for individual or recurring payment(s) after they have been processed. You may place a stop payment through the appropriate function on our bill payment service any time prior to payment being made. Or you can call us at (800) 860-5640 or write us at 2601 Cambridge Court, Suite 210, Auburn Hills, MI 48326 so we receive notification 3 business days prior to payment being processed. If you call we will also require you to put the notification in writing within 14 days after you call. We may not be able to accept stop payments requests after the transaction has been processed. If a stop payment is possible after the transaction has been processed, our stop payment fee listed on our Fee Schedule will be charged your account for this service.

To use Mobile Deposit Capture, you must obtain and maintain at your expense, compatible hardware and software. PARDA Federal Credit Union is not responsible for any third party software you may need to use the service. Any such software is accepted by you, as is, and is subject to the terms and conditions of the software agreement you enter into directly with the third party software provided at the time the software is downloaded and installed.

MOBILE DEPOSIT CAPTURE PROCESS

You will capture checks or drafts (“items”) with capture device (“camera”) creating an electronic image and you will transmit an electronic file of such electronic images that the Credit Union will deposit to your account. PARDA Federal Credit Union’s processing agent shall perform an image quality assessment of captured checks or items and shall convert items meeting the Credit Union’s required standards into substitute checks to facilitate the deposit and collection of such items. You agree the manner in which items (i.e. substitute check, image exchange, ACH) are cleared or presented for payment shall be determined by PARDA Federal Credit Union, in its sole discretion. PARDA Federal Credit Union reserves the right to select the clearing agents through which the items are cleared. You agree to be bound by any clearinghouse agreements, operating circulars and image exchange agreements to which PARDA Federal Credit Union is a party.

In addition, you agree that you will not (1) modify, change, alter, translate, create derivative works from, reverse engineer, disassemble or decompile the technology of the Mobile Deposit Capture service, (2) copy or reproduce all or any part of the technology or Mobile Deposit Capture Service or (3) interfere, or attempt to interfere, with the technology or Mobile Deposit Capture service.

Deposits received after 6:00 PM EST will be considered deposited on the next business day. For purposes of this agreement, business day is defined as Monday through Friday. Please allow 1 business day for deposit to post, excluding holidays and weekends. You agree the scanning and transmitting of checks does not constitute receipt by the Credit Union. In addition, acknowledgement of receipt or delivery does not constitute an acknowledgement by the Credit Union that the transmission of a check or items does not contain errors or that funds will be available.

DEPOSIT ACCEPTANCE

You agree PARDA Federal Credit Union may at any time, in its sole discretion, refuse to accept deposits of checks or items from you via the Mobile Deposit Capture service. In the event the Mobile Deposit Capture service is interrupted or otherwise unavailable, you may deposit checks via ATM, in person at a PARDA Federal Credit Union branch location or shared branch location, by mail or other contractually acceptable method.

IMAGE QUALITY

You agree each check submitted for deposit through the Mobile Deposit Capture service will meet the image quality standards established in American National Standards Institute’s standard X9.37. If an item does not meet PARDA Federal Credit Union’s image standards, we have the right to reject the deposit or the right to withdraw the deposit from your account after the transaction has been performed. We will attempt to notify you by phone

or electronically; however we will have no liability to you because of the rejection of any mobile deposit or the fact a notice of rejection is not given by the Credit Union in a timely manner.

1. Third-party checks (checks payable to any person other than you).
