2022 ANNUAL REPORT

A LETTER TO OUR MEMBERS

No matter what is going on in the world, it's comforting to know that Parda offers our members a sense of stability amid chaos. A constant amid change. Which is not to say that we're stagnant. On the contrary, as 2022 provided some clear examples of how Parda embraces and embodies positive change.

OUR NEW BRAND, BROUGHT TO LIFE IN BRICK AND MORTAR

Perhaps the most visible evidence of change is the remodel of our branch in Greenwood, SC. We have totally transformed this Parda location to reflect our new member-friendly brand, with a clean and modern design that helps our members feel at home. Kudos and appreciation to the Parda team that worked with local members to achieve a simply amazing result. 2023 promises additional updates to our branch footprint.

IMPROVEMENTS TO OUR DIGITAL BANKING EXPERIENCES

Our enhancement to messaging within our online and mobile banking platforms is another example of a change for the better. These upgrades allow Parda to share important information with members using their preferred channels for engaging with the Credit Union.

2022 also saw the introduction of the My Credit service on Parda's online and mobile banking

platforms. My Credit allows users not only to view their credit reports and monitor their scores, but also to help members manage their credit with educational resources and simulation tools. I'm happy to report that nearly 2,500 members have already signed up for My Credit, even though it was only launched in late December.

A GOOD YEAR FOR LENDING

One thing that hasn't changed — and will never change — is our focus on our members and their financial goals. For many members in 2022, this meant taking advantage of Parda's competitive loan rates and simpler, streamlined application processes to fund major purchases and expenses or consolidate higher-interest debt. As always, Parda lending decisions are made locally, and we try to look at the member's overall situation with a priority on providing solutions. So it's smart to make us your first call for any loan you're considering.

In closing, I remain grateful for the trust that you have placed in our Credit Union and am excited about the opportunities that lie ahead. All of us at Parda remain committed to helping our members achieve their financial goals, and we look forward to serving you for many years to come.
