

FREEDOM LINE OF CREDIT: THE MOST FLEXIBLE LOAN YOU'LL EVER HAVE.

Most people associate a line of credit with a loan that's secured by a home. But what if you could enjoy the same level of flexibility without needing to own a home at all?

That's precisely what Parada's Freedom Line of Credit is — a ready-to-use source of purchasing power or a financial safety net.

Use your funds for larger seasonal expenses like back-to-school purchases or a vacation getaway. Or save your line for unplanned expenses — like an emergency tooth extraction.

Lines of credit are available starting at \$500, and can be accessed 24/7 by transferring funds from your Freedom Line to a Parada checking or savings account using Online or Mobile Banking.

Plus, you'll only need to make payments when you use your line, and you'll only pay interest on the amount of line you use.
